

Beauty Plus Quality in These Fur Coats & Coatees

These garments, very aristocrats of their class, were never more beautiful than this season. Regarded from the standpoint of a treasured investment, their purpose is defined in workmanship and sumptuous appearance, in elegance of linings, and the advantage that goes with the conviction that the styles are ultra-distinctive.

\$175.00 to \$750.00

We would especially emphasize the variety that is placed at your disposal in Fur Coats and Coatees of Alaska Seal, Hudson Seal, Squirrel, Nutria, Muskrat and Marmot, that come either plain or effectively trimmed with pelts of contrast, omitting not a smart new model.

Fox and Wolf Scarfs

In this classification we call attention to the two most popular peltries that are now vogue, basing our claim for your undivided recognition on the fact that these are the Scarfs that serve their purpose most fully when worn with any Coat, Suit or Dress. The same discriminating care in selection is ours to exert when choosing Scarfs no less than the care we exercise in maintaining Quality Standards in Fur Coats. Prices of Scarfs are.....\$37.50 to \$100.00
